Denmark

Finland

France

Germany / Austria/ Switzerland

Japan

The Netherlands

Norway

Spain

Sweden

In most cases in the above countries you should contact the local publisher.

In some cases, for WGRG songs & liturgical works published in other publishers' books - for example, songs from the "God Comes Tomorrow" collection, GIA Publications, USA -, although WGRG retains the copyright to the words and music, the publisher owns the "form" of the music (e.g. the typesetting) so no copies can be made of songs from such collections without permission from the publisher.

Recordings, Broadcast, Performance

WGRG is a member of PRS for Music (Performing Right Society)/ MCPS (Mechanical-Copyright Protection Society), who handle mechanical/performance rights on our behalf. PRS covers music broadcast on TV or radio, performed or played in public, live or recorded, streamed or downloaded. MCPS covers music copied as CDs/ DVDs, streamed or downloaded, used in TV, film or radio. For more info: prsformusic.com

Music played during worship does not currently require licensing.

“Freedom Is Coming”/ Utryck material

WGRG - on behalf of Wild Goose Publications - administers copyright in Britain only, for the South African songs in the ‘Freedom is Coming’ collection. The same conditions apply to these translations & arrangements as for Wild Goose Resource Group material, except that the copyright acknowledgement should read:

*Copyright © 1990 Wild Goose Publications, Iona Community, Glasgow, Scotland.
Reproduced by permission.*

One of these songs, “Siyahamba – We Are Marching”, has 2 versions. We control the version with 2 verses (each verse starting with the words in the song title above, first in Xhosa, then English).

There is another extended English text version (also covered by CCLI). We can also give Commercial permission for it. However, the copyright acknowledgement should be the © wording above, plus:

English verses 2-3 by Andrew Maries © Sovereign Music, PO Box 356, Leighton Buzzard, LU7 8WP.

Other authors’ songs in WGRG collections

Occasionally, WGRG publishes songs by other authors/composers. In some cases, we can grant permission to use that author’s copyright element of the song (text/music/arrangement). In other cases, you may need to gain additional copyright permission from that author/ copyright holder. Please contact us for guidance, whether the use is non-commercial or commercial.

.....

Royalties are a major source of WGRG’s funding, so we have to take copyright seriously. We never fail to be impressed by how folk who use our material deal with it with a remarkably high degree of care and attention. We appreciate that very much, so ... THANK YOU!
